

P'kolino Reader Chair Instructions

The Popular Little Reader has Grown Up!

Contemporary, yet playful, style for your not-so-little-one. Premium quality fabric, high density foam, stable wide-base, light weight, tote handle and NEW split-pocket design for books (and all sorts of stuff). Contoured seat and ergonomic arms for added comfort.

Keep your Reader Chair clean with these simple instructions.

Use paper clip for zipper pull.

Cleaning

Most stains can be spot-cleaned with just a touch of mild soap and water.

When spills occur: using a gentle touch, carefully blot up any spills with a towel. Do not rub frantically, as this will drive the stain further into the weave of the fabric, making it even more difficult to remove.

Most spills will bead on the surface and can be absorbed with a paper towel before leaving a residual stain. If a stain does occur, the cover can be washed following the simple instructions below.

Remove Cover

Unzip and separate the outer cover from the interior foam. Do this by inserting a paper clip into zipper head and unzipping. Cover should only be removed by an adult. Keep foam and cover away from children while they are separated.

Machine Wash Cold

Wash outer cover ONLY on the gentle/delicate cycle in cold water. Wash with like colors. Fabric dyes may bleed. Do not use a bleach solution.

DO NOT WASH FOAM.

Tumble Dry Low

Dry outer cover on the tumble/air cycle. Put cover back on the foam when it is completely dry and cool. Zip up and your Reader Chair is ready for use.

Make sure cover is completely cool before allowing children to touch.
